

# Versailles State Park's 2025 New Projects

## RECENT PARK IMPROVEMENTS & UPDATES

A simple summary of the 2025 updates noted for Versailles State Park.

1

### **Accessible Water Station**

A new accessible outdoor water fountain and bottle filling station was added outside the nature center.

2

### **Waterfall Trail**

The new Waterfall Trail (Trail 5) is open and signed for this season.

3

### **Bradt Natural Area Restoration**

Warm-season grass areas at the Bradt Natural Area received restoration work across more than 30 acres, including mowing to remove invasive species and young second-growth trees.

4

### **Pollinator Plantings**

Two acres of pollinator plants will benefit bees and butterflies below the Versailles State Park dam.

5

### **Campsite Upgrades**

Four campsites were upgraded from back-in sites.
